To make the brim tilt downwards, cut a slit from the outer to the inner edge and overlap the cut edges slightly, then join them. Wrap the cardboard brim with decorative ribbon, securing with thread or glue.
2. ****Crown****: Using light green yarn, crochet a flat circle that matches the size of the inner hole of your brim. For example, a circle increased to 36 sc.
3. Continue with 3 rows of 36 sc without increases.
4. In the final row, increase to match the outer circumference of your brim. For example, if the previous row was 36 sc, work (1 sc, inc) x18 = 54 sc.
5. ****Finishing****: Sew the crocheted crown to the prepared brim. Cut a bow from felt and sew it to the hat with a decorative button.

****Assembly****

1. Put the dress on the body.

2. Sew the arms to the sides of the body.

3. Reinforce the neck with wire or cotton sticks, then sew the head to the body.

4. **Hair**:

- * Braid a thin plait from felting wool. Felt this plait onto the head along the hairline to create a border.

- * Fill the remaining space on the head with wool, using enough to avoid bald spots.

- * Take a wide strip of wool, long enough to wrap around the head, and fold it in half lengthwise. Felt this strip just under the plait border.

- * At the back, braid a long plait and secure it with a ribbon.

5. **Final Details**:

- * Wrap a ribbon around the head and tie a bow at the back.

- * Attach a bird button to the long plait.

- * Insert a satin ribbon into the "windows" on the dress (R16) and tie a bow at the back.

- * Sew on the eyes.

- * Apply dry pastel for blush on the cheeks.

- * Sew the flower buttons onto the dress.
