Assembly & Finishing

Hair

1. Cut pieces of yarn 20cm long.

2. **Mark the hairline:**

* **Forehead:** The hairline runs between Rounds 31 and 32. Mark the center, then count 7 stitches to each side and place pins.

* **Back of head:** The hairline runs between Rounds 26 and 27. Mark the center, then count 5 stitches to each side and place pins.

3. **Attach the hair:**

* First, sew a line of hair from the hairline at the back of the head, through the center of the head, to the hairline on the forehead.

* Next, sew a parallel line from the forehead to the back, leaving a space of one stitch between the lines to create a neat part. For a clean part, sew hair into every row along this line.

4. ****Attachment Method:****

- * Use a strong thread (the base thread). Thread it into a needle, tie a knot, and hide the knot inside the head, bringing the needle out at the desired spot.
- * Secure a piece of hair yarn onto the base thread with a knot as close to the head as possible.
- * Reinsert the needle into the same hole and bring it out through the next row or stitch.
- * Pull the base thread tightly so that the hair knot "hides" inside the head. Repeat for all hair strands.

****Face Embroidery****

Use pins to mark the eye placement between the rows, with 4 stitches between the pins.

****Eyes****

1. Insert a needle with a knot at the back of the head and hide the knot inside. Bring the needle out at the first eye placement (Point A).
2. Insert the needle 3 stitches over in the same row (Point B). Without pulling the thread tight, bring the needle tip up to the next row, 1 stitch over (Point C). Ensure the thread passes under the needle.
3. Pull the needle out completely at Point C to form the eye shape. Lay the thread neatly and insert the needle back into Point B.
4. Bring the needle out 1 stitch over in the same row to embroider the eyelash (Point D).
5. Insert the needle back into Point B and bring it out at the placement for the second eye. Repeat the process.

****Mouth****

1. After completing the second eye, bring the needle out at the mouth placement (Point E), about 3 rows below the eye line.
2. Insert the needle 6 stitches over in the same row (Point F). Bring the needle out 1 row lower and 1 stitch in from Point F (Point G).
3. Pull the needle out completely at Point G. Loop the thread under the "mouth line" (the thread from E to F) and insert the needle back into Point G. Bring the needle out at Point F.
4. Loop the thread under the "mouth line" again and insert the needle back into Point F. Bring the needle out at the back of the head. Cut the yarn and hide the end.

****Nose****

1. Insert a needle with a knot at the back of the head and hide the knot inside. Bring the needle out where the nose will be (Point A), 1 row below the eye line.
2. Insert the needle 2 stitches over in the same row (Point B).
3. Bring the needle out again at Point A and reinsert it at Point B to create a second pass. Bring the needle out at the back of the head. Cut the yarn and hide the end.
4. Add toning or blush as desired.

Dress

Use a 2.00mm hook. The dress is worked in turning rows. At the end of each row, ch 1 and turn.

****Row 1:**** Ch 27. Starting from the second chain from the hook, work 26 sc. (26)

****Row 2:**** 26 sc (26)

****Row 3:**** 26 inc (52)

****Row 4-14:**** 52 sc (11 rows)

Do not cut the yarn. Single crochet along one open side of the dress to create a clean edge. When you reach the corners, work 3 sc into each corner stitch.

****Top Section & Straps:****

1. Working along the top edge of the dress, make 5 sc, ch 1, turn.
2. ****First Strap:**** Work 2 sc in turning rows for 16 rows (ch 1 and turn after each row except the last).
3. ****Attach Strap:**** Count 4 stitches from the base of the strap along the top edge of the dress. Remove the loop from your hook. Insert the hook from the wrong side into the 5th stitch, catch the strap loop, and pull it through. Ch 1. Work 2 sl st to join the strap and dress top together.
4. Continue along the top edge: 4 sc, ch 1, turn.
5. ****Second Strap:**** Work 2 sc in turning rows for 16 rows, just like the first strap.
6. ****Attach Strap:**** Attach the second strap in the same way as the first, skipping 4 stitches along the top edge.
7. Work 3 sc to reach the edge of the dress. Ch 1 and turn.

****Final Edging:****

Work a final round of single crochet evenly around the entire perimeter of the dress (straps, top, sides, and bottom). Work 3 sc into each corner stitch to keep it flat.

Create a small chain loop for a button closure.

Fasten off and weave in all ends.
