## **### \*\*Assembly\*\***

1. **\*\*Beard\*\***: Mark the beard area on the head with pins. Cut strands of fluffy white yarn to your desired length. Fold each strand in half and attach it to the head stitches using a latch hook or crochet hook, creating a fringe. Attach strands closely together under the nose area and along the marked hairline. Once attached, gently brush the beard with a pet slicker brush or comb. Trim to shape and style as desired.

2. **\*\*Face\*\***: Sew the Nose onto the head, centered over the top edge of the beard, approximately starting at Rnd 17 from the crown.

3. **\*\*Eyes\*\***: If using half-beads or embroidered eyes, place them on either side of the nose, between Rnds 15 and 16, with about 3 stitches between them.
4. **\*\*Eyebrows\*\***: Using brown embroidery thread, embroider eyebrows above the eyes.
5. **\*\*Head and Body\*\***: Sew the head securely to the body.
6. **\*\*Belt\*\***: Wrap the belt around the body and sew the ends together at the back.
7. **\*\*Hat\*\***: Attach a pompom to the tip of the hat. Place the hat on the gnome's head.
8. **\*\*Glasses (Optional)\*\***: To create glasses, wrap wire around a circular object (approx. 40mm diameter) to form two lenses. Wrap the wire frame with brown yarn, securing with glue. Shape a nose bridge and place the glasses on the gnome's nose, between Rnds 7 and 8 of the nose.
9. **\*\*Scarf\*\***: Drape the scarf around the gnome's neck.
