Face Details

****Nose:****

Use the yarn tail from the head. Bring the thread out on the row below Rnd 21, centered with the chin. Make 5-6 stitches over 3 sc. Bring the thread out through the neck opening to use for attaching the head later.

****Eyes:****

1. Use a disappearing marker to draw the upper eyelid outline. Start one row left/right of the nose, go up 5 sc with a slight slant, straight for 4 sc, then down with a slant for 3-5 sc.
2. Embroider the outline with a backstitch using 3 strands of mouline thread.
3. Outline the created contour again to add thickness. Embroider the second eye outline similarly.
4. Embroider eyebrows. A suggested placement is 3 sc from the upper contour, 4 sc long, with a slant of 2 sc.
5. Draw the pupil. It should be almost rectangular, slightly wider at the top.
6. Embroider the pupil's outline. Straighten threads with the needle and add extra stitches if needed.
7. Using the chosen eye color, make one stitch on each side of the pupil. Along the bottom, make a stitch that is 1 sc thick and 2 sc wide. Go over it 2-3 times if needed. Outline these stitches.
8. Fill the sides of the pupil with white thread. Along the bottom, add one white stitch (1 sc thick). Outline these white parts.
9. Embroider highlights on the eyes.
10. Embroider eyelashes. You can add a black line below the eye if desired.

****Lips:****

Embroider the lips as desired. After all embroidery is complete, straighten the threads with a needle. You can cover the eyes with a 1:1 mixture of PVA glue and water to fix the threads and add shine.

Ears

1. Use a disappearing marker to draw the ear outline. A suggested placement is to start from the upper contour of the eye, move 2 stitches to the side, then 5 sc down, and one sc to the side.

2. Working directly on the head from top to bottom, chain along the outline.
3. ****Rnd 2:**** ch 1, turn, 4 sl st, 4 sc, then work an additional sc down into the head.
4. Fasten off and hide the thread. Crochet the second ear similarly.

Hair

1. Cut yarn threads to the desired length. Attach them like a fringe, starting 2 sc from the foundation row to create high bangs.
2. To create two braids or ponytails, attach hair in a line down the back.
3. Fill in the remaining gaps, skipping stitches to avoid making the hair too thick.
4. Gather the hair into a bun to keep it out of the way during assembly.

Assembly

****Navel:****

1. Bring the thread left on the torso out slightly below the waist in the middle.
2. Move down 2 stitches and slightly to the side, then bring the needle out at the bottom between the legs.
3. Pull the thread tight to create an indent. 2-3 stitches should be enough. Fasten off and hide the thread.

****Arms:****

1. Position the arms on the sides of the body around Rnds 24-27. Make holes with a needle for the wire.
2. Take the arm with the long yarn tail. Bring the needle out where the wire end is.
3. Insert both arms into the torso. Sew them on by picking up stitches only from the torso and the inside of the arms. Pull tightly.
4. Make 3-4 stitches, then fasten off and hide the thread.
5. Attach the head to the body.
