#### ### Hair

1. Cut many strands of yarn to your desired hair length.
2. Use pins to mark the hairline on the head.
3. Fold a strand of yarn in half. Insert your hook into a stitch on the hairline, grab the middle of the yarn strand, and pull a loop through.
4. Pull the two loose ends of the yarn through the loop and tighten to create a knot.
5. Repeat this process all over the marked hairline until the head is covered.
6. Once all hair is attached, style as desired. You can gently comb the yarn with a wide-tooth comb to separate the fibers for a fuller look. Trim the hair evenly with sharp scissors to the final length.
