**\*\*Assembly and Finishing\*\***

1. **\*\*Join Hat/Shell to Body:\*\***

Join the edge of the Hat/Shell piece with the edge of the Body piece. Insert the hook into a stitch of the Hat/Shell and then into a stitch of the Body. Crochet this joining row with the main working color.

2. **\*\*Add Edging:\*\***

The pattern suggests using a Reverse Single Crochet (Crab Stitch) for a decorative edge. See Special Stitches below for instructions.

3. **\*\*Alternative Edging:\*\***

If the special stitches are too complex, you can simply crochet around the hat edge with a round of single crochet or reverse single crochet.

**\*\*Special Stitches\*\***

**\*\*Reverse Single Crochet (Crab Stitch)\*\***

This stitch is worked from left to right (for right-handed crocheters) to create a corded edge.

1. Do not turn your work. Chain 1.
2. Insert your hook into the first stitch to the right.
3. Yarn over and pull up a loop.
4. Yarn over again and pull through both loops on the hook.
5. Repeat in each stitch across.

### **\*\*Two-Sided Decrease\*\***

1. Make a chain stitch and turn your work.
2. Insert the hook into the first stitch, yarn over, and pull a loop through. (2 loops on hook)
3. Insert the hook into the second stitch, yarn over, and pull a loop through. (3 loops on hook)
4. Yarn over and pull through all three loops on the hook.
