**Assembly and Decoration**

1. ****Hair:**** Sew the wig to the head. Stuff the tails lightly and sew them onto the wig. Attach the two blue bows to the base of the tails.

2. ****Necklace:**** Attach yarn to the wig near the forehead. Crochet a CH long enough to drape around the neck. Secure the end of the chain in the same starting point on the wig. Attach the peach bow to the front of this chain.

3. ****Dress Tie:**** With white yarn, crochet a chain of approximately 150 CH (or desired length). This should be long enough to wrap around the doll's waist twice and tie in a knot.

4. ****Eyes:**** Use 6mm safety eyes. Insert or glue them between rounds 9-10 of the head, about 7 stitches between them. You can create indentations for the eyes before placing them. (Note: These round numbers may be relative to the head section or may need adjustment based on your preference.)

5. ****Nose:**** Using a contrasting color, embroider a nose with 4 horizontal stitches between rounds 7 and 8 of the head, covering a width of 3-4 stitches.
6. ****Cheeks:**** Add a touch of blush to the cheeks.
7. ****Smile:**** It is suggested to leave the doll without a smile, allowing a child to imagine the doll's mood.
