Assembly and Decoration

1. **Face:** If you have not already, sew on the eyes between Rnds 16 and 17 of the head, with a distance of 6-7 sc between them. Embroider the nose 2-3 rows below the eyes, spanning 1-2 stitches. Embroider eyebrows and a smile as desired.
2. **Ears:** Crochet 6 sc into an amigurumi ring but do not join into a circle. Fasten off a tail. Fold the semi-circle and sew to the sides of the head, level with the eyes.
3. **Hair:** Cut strands of yarn approximately 35 cm long. Fold each strand in half and attach to

the head with a hook, starting from the crown and working downwards in a spiral.

4. ****Assembly:**** Sew the head to the body using the long yarn tail.

5. ****Arms:**** Attach the arms to the body using a thread-jointing method to allow them to be movable.

6. ****Finishing Touches:**** Sew a small bead onto the stomach for a belly button.
