2. To make braids, cut several strands of yarn to your desired length. Thread them through the stitches on the side of the wig where you want the braids to start. Braid the strands and secure the ends with small ribbons or bows.
3. Sew on bead eyes.
4. Using embroidery floss, embroider eyelashes and a mouth.
5. Cut two small circles from felt and glue them onto the face as cheeks.
6. Sew a decorative bead or bow onto the front of the dress.
