### ### Decoration

1. From felt or fleece, cut out 4 eye pieces: 2 black and 2 white. You can print an image to use as a template.
2. To prevent the felt from fraying, sew around the edges of the pieces with a blanket stitch.
3. Sew the white piece to the black piece.
4. Embroider the web on the body and head with thin black thread.
5. Embroider the spider emblem on the chest with black thread.
6. Glue or sew the eyes onto the head.
