****For the angel with dangling legs:****

2. Sew the arms to the dress using a thread jointing method.
3. Attach the wings to the back of the dress and the hair to the head. You can use hot glue or sew them in place.
4. Attach safety eyes, or embroider eyes and a mouth.
5. Decorate the angel with ribbon, rhinestones, beads, or a hanger loop.

****For the angel with a sewn-up dress bottom:****

1. Lightly stuff the body; it should remain relatively flat.
2. Pin the legs to the center of the dress opening.
3. Using the long yarn tail from the dress, sew the bottom edge closed by stitching through the inner half-loops.
4. At the points where the legs are positioned, sew firmly through the legs and the dress using a backstitch to secure them.
5. Follow steps 2-5 from the dangling legs assembly instructions.
