****Hat (Knitted)****

Use Nako "Elit Baby" yarn (held double) and No. 3.5 knitting needles. The gauge is 2 sts per 1 cm for a doll head circumference of 18cm.

1. Cast on 38 sts (36 sts + 2 selvedge sts).

2. ****Rows 1-15:**** Knit in 1x1 rib (k1, p1).

3. ****Row 16:**** Selvedge st, (k2tog, k1) repeated to the end of the row, Selvedge st.

4. ****Row 17:**** Purl all stitches.

5. ****Row 18:**** Selvedge st, (k2tog) repeated to the end of the row, Selvedge st.

6. Cut the yarn, leaving a long tail. Thread it into a needle and pull through all remaining stitches on the knitting needle. Pull tight to cinch the top closed and sew the back seam.

Snood (Knitted)

Use Beige yarn and No. 2.5 knitting needles.

1. Cast on 6 stitches.
2. Knit in garter stitch (knit every row) until the piece is long enough to fit comfortably around the doll's neck.
3. Bind off all stitches.

Skirt

1. Cut your fabric into strips that are 3-4cm wide and 15cm long. The fabric should stretch along the width, not the length.
2. Take a long piece of the Blue yarn (used for the jacket).
3. Tie the fabric strips onto the yarn with a simple single knot. The more strips you add, the fluffier the skirt will be.

Assembly

1. **Hair:** Sew 3 rows of hair weft onto the head. Start just above the eyes and work your way up to the crown.
2. **Arms:** Sew the arms to the sides of the body at the shoulder level.
3. **Skirt:** Wrap the skirt around the doll's waist, at the top of the brown tights, and sew it securely in place.
4. **Hat:** Place the hat on the doll's head. Sew it in place about 1cm up from the edge so that the hair remains visible.
5. **Snood:** Decorate the snood with pompoms and buttons. Put it on the doll and sew the ends together at the back.
