#### #### \*\*Hair\*\*

1. Cut yarn strands to your desired length (approx. 30 cm for pigtails).
2. If you did not crochet a colored hair cap onto the head, use a contrasting thread to mark the hairline.
3. Attach the hair by inserting your hook into a stitch on the head, folding a group of strands (e.g., 4 strands) in half, and pulling the loop through. Pass the ends of the strands through the loop to create a lark's head knot.
4. To secure the hair for a play doll, you can apply a small amount of clear silicone adhesive to the inside of the head over the hair knots. Let it dry completely before finishing the doll. This keeps the head soft while preventing hair from falling out.

---

#### #### \*\*Assembly\*\*

1. **Face Sculpting:** Use embroidery floss to sculpt the cheeks and eye sockets before fully closing the head.
2. **Attach Head:** Sew the head securely to the body. A wooden dowel can be inserted through the neck and into the head and body for extra support.
3. **Attach Arms:** If not crocheted into the body, sew the arms to the sides of the body at approximately R12-13.
4. **Details:** Add eyes, sew on the nose, and embroider any other facial features.
