****Assembly and Finishing****

1. ****Body Trim:**** Attach white fluffy yarn to the front loops of Rnd 10 on the body. Crochet sc in each stitch around (48 sts). Continue by working a line of sc up the front of the body, around the neck opening (approx. 17 sc for a collar), and back down to meet the starting point. Fasten off and weave in ends.
2. Sew the head to the body.
3. Sew the arms to the sides of the body, just below the neck.
4. Place the hair cap on the head and sew it securely in place. Braid the two long strands of hair into a single plait.
5. Sew the Kokoshnik to the head, in front of the hair.
6. Using black or brown thread, embroider the eyebrows and a small nose.
