Use a long needle and strong nylon thread. Refer to a diagram for points 1-6.

2. Bring the needle out at point 1.
3. Insert at point 2 and bring out at point 3.
4. Insert at point 4 and bring out at point 5.
5. Insert at point 6 and bring the needle out through the open bottom of the head.
6. Pull both ends of the thread to create definition and tie them securely. Repeat if using a less durable thread.

#### **\*\*Finishing the Face:\*\***

\* **\*\*Sewing on the Eyes:\*\*** Sew the eyes securely in the indented positions.

\* **\*\*Making the Hair:\*\*** Use a long needle and hair-colored yarn. Insert the needle through the bottom opening and out at the crown. Create the bangs first, always inserting the needle back into the crown to avoid pulling out stuffing. Make the bangs shorter and the rest of the hair longer. Do not make it too dense. Finish by bringing the last stitch out through the bottom opening.
