Instructions

Body and Head

****Row 6 (As per original stitch count):**** (1 sc, inc) repeated to make 72 stitches. A more standard pattern would be (5 sc, inc) x 12 (72)

**Assembly and Finishing**

1. **Face: Choose the side of the head with the cleanest color changes.**

*** **Eyes:** Insert the 14 mm safety eyes on the 8th row of the beige section (Row 40), with about 5 sc stitches between them.**

*** **Nose:** Using beige or pink yarn, embroider a small nose between and slightly below the eyes.**

* ****Eyebrows:**** Use white Softy yarn to embroider eyebrows above the eyes.

2. ****Beard and Hair:****

* ****Beard:**** Cut several strands of white yarn, each 24 cm long. Fold each strand in half. Attach them as a fringe starting from the 6th row of the head (Row 38), about 5 sc away from each eye. Work downwards, filling a central area about 15 sc wide.

* ****Hair:**** Fill the back of the head area between the beard and the red hat with hair. You can embroider this using Softy yarn to cover any gaps.

3. ****Final Touches:****

* ****Coat Trim:**** Create a vertical white stripe down the center of the coat. You can do this by making a chain (approx. 13 ch or to desired length) and sewing it on, or by embroidering it directly.

* ****Hat and Cuffs:**** Use the fluffy Mink yarn to crochet or sew a decorative border around the white section of the hat and the white cuffs on the arms.

* ****Decoration:**** Decorate the coat and mittens as desired. Use snowflakes, beads, or cut-out shapes from glitter foamiran.

* ****Arms:**** Sew the arms to the sides of the body.
