Finishing and Assembly

1. **Head Sculpting:** Insert the needle into the base of the head, leaving a tail. Bring the needle out at the outer corner of one eye (point 1). Re-insert the needle at the inner corner of the same eye (point 2) and bring it out at the inner corner of the other eye (point 3). Re-insert the needle at the outer corner of the second eye (point 4) and bring it out back at point 1. Gently pull the thread to create indentation. Repeat 2-3 times to secure. Bring the needle out at the base of the head, tie off, and hide the yarn tails.

2. **Face Details:**

- * Embroider the nose with beige yarn.
- * Embroider the mouth with red yarn (split the yarn into 2 strands for a finer line).
- * Embroider the whites of the eyes and eyelids with white and black thread respectively.

3. **Assembly:**

- * Sew the hair onto the head.
- * Sew the pigtails to the sides of the head, between rounds 7 and 15 of the hair cap.
- * Sew the head to the body. Add extra stuffing to the neck area for stability while sewing.
- * Sew the arms to the sides of the body.
- * Sew the wings to the back.
