Assembly & Finishing Notes

****Thread Jointing for Arms****

This method uses a strong thread to attach the arms, allowing them to be movable.

1. Use a strong, durable thread, folded to be 4 strands thick.
2. Take a long needle. Insert it from the inside of the body where one arm will be and push it through to the other side.
3. Pass the needle through the first arm (from inside to outside) and then back through the arm (outside to inside).

4. Push the needle back through the body to where you started.
5. Pass the needle through the second arm in the same way (inside to outside, then back inside).
6. Pull the thread very tight to bring the arms snug against the body. Repeat passing the thread through the body and arms 3-4 times, pulling tight each time.
7. Once secure, tie the thread ends together in a tight knot inside the body. Cut and hide the ends.

****Closing Openings****

For a neater finish when closing a piece (like the top of the head or end of an arm):

1. After the final round, leave a long tail of yarn.
2. Thread the tail onto a needle.
3. Weave the needle through the front loops only of each stitch in the final round.
4. Gently pull the yarn tail to cinch the opening closed.
5. Add any final stuffing if needed before closing completely.
6. To secure the closure without a knot, pass the needle back under a few of the loops you just tightened.
7. Insert the needle through the center of the closed hole and out at a random point on the piece. Pull the yarn tight and snip it close to the surface. The end will disappear inside the part.

Instructions

****Feet (make 2)****

First, crochet two soles. You will also use one of these as a template to cut a sole shape from felt or thin cardboard.

****Sole (make 2)****

****R1:**** CH 8, starting from the 2nd chain from hook: 6 SC, 4 SC in the last stitch. Continue on the other side of the chain: 5 SC, 1 INC. (17)

****R2:**** 1 INC, 5 SC, 4 INC, 5 SC, 1 INC, 1 SC. (23)

****R3:**** 1 SC, 1 INC, 5 SC, 8 INC, 8 SC, SL ST. (32)

Fasten off and cut the thread.

****Foot (make 2)****

****R1:**** CH 8, starting from the 2nd chain from hook: 6 SC, 4 SC in the last stitch. Continue on the other side of the chain: 5 SC, 1 INC. (17)

****R2:**** 1 INC, 5 SC, 4 INC, 5 SC, 1 INC, 1 SC. (23)

****R3:**** 1 SC, 1 INC, 5 SC, 8 INC, 8 SC. (32)

****R4-6:**** 32 SC (3 rows)

Now, attach the crocheted sole to the bottom of the foot, holding them wrong sides together. Place the cardboard/felt sole inside between the layers.

Crochet through both layers to join them, stuffing the foot firmly as you go.

****Arms (make 2)****

Prepare a piece of wire the length of the arm and wrap it with tape or plaster. Insert the wire into the arm and stuff firmly around it.

****R23:**** (1 SC, 1 DEC) x 3. (6)

Fasten off, leaving a long tail. Close the remaining opening using the finishing technique described above.

****R25:**** (2 SC, 1 DEC) x 6. (18)

****R26:**** (1 SC, 1 DEC) x 6. (12)

Stuff the head firmly. Do not close the opening.

****Head Attachment****

1. To create a stable neck, cut a piece of wire approx. 7-10 cm long and fold it into 4 parts. Wrap it with tape.
2. Insert the wire frame halfway into the top of the body (neck) and the other half into the opening of the head.
3. Add more stuffing around the wire in the neck and head for stability.
4. Sew the head securely to the body.

****Hair Attachment****

1. Cut a piece of hair tress about 15 cm long for the crown of the head. Set it aside.
2. Using pins, mark the hairline on the head.
3. Pin the main length of hair tress in a spiral around the head, starting from the outer edge and working inward.
4. Using a sewing thread that matches the hair color, sew the tress securely to the head along the spiral path.
5. When you reach the center, there will be a small gap. Take the 15 cm piece of tress aside, roll it into a tight spiral, and sew it into this gap to complete the hair.
