General Instructions

Start crocheting from the legs. The legs are joined to form the body, continuing up to the head as a

single piece. If you want to make shoes, begin the legs with the color of the shoes (e.g., black).

Finishing and Assembly

1. ****Neckline:**** Using white yarn, add an edging around the neckline of the dress.

2. ****Arms:**** Sew the arms to the body between R36-38.

3. ****Face Details:****

- * ****Eyes:**** Place the eyes between R50-51, with about 5 stitches apart.
- * ****Nose:**** Embroider the nose between R49-50.

4. ****Face Sculpting:****

- * Insert the needle in the center of the head, near R45-46.
- * Bring the needle out at the corner of the right eye, then re-insert it at the other corner and pull back to the starting point. Pull gently to create an indent.
- * Repeat for the left eye.
- * For the mouth, you can create a small piece (e.g., 6 SC in a MR with pink yarn for a tongue, then a small black semi-circle for the mouth) and glue or sew it into the indentation below the nose.

5. ****Hair:****

- * Cut strands of golden yarn approximately 25 cm long.
- * Mark the hairline on the head. Start by finding the center 2 stitches on R55. Mark them.
- * Go down one row and move 2 stitches out to each side. Mark these points.
- * Repeat this process (down one row, 2 stitches wider) two more times.
- * From the lowest marks, go down another 4 rows and place final marks on both sides.
- * Fold each yarn strand in half and attach it to the head using a latch hook method along the marked hairline, starting from the bottom and working your way up. Style as desired.
