* *Note: For a longer hat, add more rounds of sc before starting the decreases.*

Assembly & Finishing Touches

1. **Arms:** Insert wire for the arms through the body, approximately between Rnds 6 and 7 (counting down from the neck). Lightly stuff the arms, thread them onto the wire, and sew them securely to the body.
2. **Beard:** Use chenille yarn to create the beard. Cut several pieces of yarn to your desired length. Attach them by looping them into each stitch below the nose. Once all pieces are attached, brush the beard thoroughly and trim it to shape.
3. **Face:** Embroider a smile with black sewing thread. Optionally, sew on small beads for eyes.

4. ****Embroidery:**** You can add decorative details.

- * ****Body:**** Embroider a cross-stitch pattern on the bottom part of the body.
- * ****Hat:**** Decorate the hat by embroidering snowflakes or attaching rhinestones.
