Assembly & Finishing

1. ****Face Details:**** Use matching thread to create eye indentations for a sculpted look. Embroider the whites of the eyes with white thread. Embroider a small nose (1 stitch wide) and a mouth. Add light-colored eyebrows if desired.
2. ****Attach Wig:**** Position the wig on the head, placing its center MR about 2 rows back from the head's MR. The shortest strands should frame the face. Pin the wig cap in place first, then arrange and pin each strand. Sew the wig securely to the head, stitching around the cap and tacking down each strand.
3. ****Attach Head:**** To ensure the head is stable, insert a supportive frame like a cotton swab or wooden dowel halfway into the neck and halfway into the head. Use the yarn tail from the head to sew it securely to the body.
4. ****Attach Wings:**** Sew the wings to the back of the angel, positioned over the dress.
5. ****Decorate Dress:**** Weave the metallic Alize yarn through the hdc stitches at the neckline of the dress. Tie a bow at the front and attach a pearl bead to each end of the yarn. Add a small charm like a heart or star.
6. ****Finishing Touches:**** Lightly apply pastel to the cheeks for a blush.
7. ****Halo:**** Create a halo by stringing gold beads or seed beads onto a wire or thread. Sew it to the wig like a wreath.
