****Assembly & Finishing****

1. Sew the short edges of the Ring Cover together to form a tube. Insert the ring and sew the cover closed along one edge to secure it.
2. Position the beard (fluffy yarn) on the ring cover.
3. Stuff the nose tightly and sew it to the head between R6 and R12.
4. Sew the head to the body/skirt.

5. Attach the arms/legs to the body.

6. Decorate the gnome as desired. For example, sew blue stripes onto the boots and embroider small snowflakes onto the mittens.

7. Sew or glue the finished gnome, placing it inside the ring. Your pendant is ready.
