6. ****Second layer (in FL of Round 4):****

* Turn the work. Working into the front loops from Round 4, create strands to sit in the gaps of the first layer.

* (SL ST into the next front loop, CH 35, work 34 SC back down the chain, SL ST into the next front loop). Repeat this process, staggering the strands between those from the first layer. You can achieve this by skipping a front loop between strands occasionally. Towards the center, create strands in every stitch.

****Attachment:****

2. Sew the base of the hairpiece to the head.
