3. Sew the weft to the head, starting from the back. Continue sewing rows of wefts in a spiral up the head, leaving 1-5 mm of space between each row.
4. To close the crown, take the reserved piece of weft and twist it into a tight spiral. Sew it to secure its shape.
5. Apply super glue into the opening at the top of the head and onto the base of the twisted hair piece.
6. Carefully push the glued hair piece into the opening.
7. The hair can be straightened with a flat iron on a low setting. To do this, arrange the hair neatly and place a cotton cloth over the doll's head before ironing.
