****Assembly and Beard****

1. ****Nose:**** Pin the nose to the body, about 4 rows below where the arms are attached. Sew it securely in place.
2. ****Mittens:**** Insert the arms into the mittens. They do not need to be sewn on.
3. ****Beard:**** Attach the beard around the nose using one of the following methods:
 - * ****Yarn Beard:**** Cut strands of yarn to an equal length. Attach them to the body around the nose. Use a needle or comb to unravel the yarn strands and brush them out to create a full look.
 - * ****Wool Beard:**** Using a felting needle, apply small tufts of felting wool around the nose area, gently pressing it into the body. Carefully brush the wool to style it.
4. ****Hat:**** Place the hat on the body and sew it in place with a few stitches on the sides, back, and just above the nose.
5. ****Finishing:**** Decorate the hat as desired.
