- \* Some parts are worked in joined rounds (ending with a sl st and ch 1), while others are worked in a continuous spiral.
- \* Pay close attention when attaching the arms to the body. You may need to adjust the stitch count

slightly to ensure they are placed evenly, depending on your yarn and tension.

## **\*\*Hair\*\***

This is one method for creating a wig. Feel free to use an alternative method if you prefer.

1. Create a foundation chain of 26 ch.
2. Work along one side of the chain: [Create a curl (ch 46, starting from 2nd ch from hook, work 1 hdc in each ch), sl st into the next stitch of the foundation chain] \* 25 times.
3. In the last stitch of the foundation chain, work (1 curl, 1 sc) 3 times.
4. Turn and repeat Step 2 along the other side of the foundation chain.
5. Sew the wig to the head along the center part (the foundation chain).
6. Secure each curl with a few stitches to style the hair. For a fuller look, you can create additional single-sided rows of curls and sew them on.
