Face Decoration

Eyes

*   Attach eyes to the center of the head, leaving a space of 3 sc between their outer edges.

Nose

*   Skip 2 rows down from the eyes. Embroider the nose using horizontal stitches over a width of 3 sc.

Mouth

*   Embroider the mouth as a slight smile.

    *   **Top point:** 2 rows below the nose and 2-3 sc to the right.

    *   **Bottom point:** 2 rows down from the top point and 4 sc to the left.

Eyebrows

*   **Top point:** 3 rows above the outer edge of the eye.

*   **Second point:** 1 row below the top point and 2 sc towards the side of the head.

Cheek Sculpting

*   Choose a suitable spot for the cheeks.

*   Make a diagonal stitch that is 3 sc high and 1 sc wide diagonally. The lower point of the stitch should be closer to the center of the face.

*   Do not pull the stitch tight.

*   Wrap the thread around this stitch in a spiral, first in one direction and then back in the opposite direction, ensuring the wraps lie closely against each other to create a raised cheek detail.
