General Information

*   **Toy Height:** Approximately 11 cm.

*   You can use any yarn for crocheting this toy, just remember to use the recommended hook size on the yarn label. Use safety eyes of an appropriate size for the yarn you are using.

*   Each part begins with a Magic Ring (Amigurumi Ring). Crochet in a spiral; do not join rounds with a slip stitch.

*   Use a stitch marker to keep track of the beginning of each round.

*   The toy should be crocheted tightly enough so that when the fabric stretches, no gaps are visible through which the filler might show. If your stitches are not tight, try using a smaller hook.

*   Firmly stuff the body and head as you crochet.
