Embroidery & Finishing

1. **Face Sculpting:** Use a separate strand of yarn to create indentations for the eyes. The lower points are between R14 and R16 on each cheek. The upper points are between R13 and R14, near the center.

2. **Facial Features:** Embroider eyelashes, eyebrows, a nose, and a mouth. Use white yarn or thread to highlight the whites of the eyes. Embroider a small dimple if desired.

Hair

*   Attach plush yarn to the head and create hair using the extended loop stitch method. The placement and length of the loops are up to your preference.

Sundress Ruffle

*   Attach yarn in the sundress color to a round on the sundress portion of the body.

*   **R1:** Work 1 dc in each stitch around.

*   **R2:** Work 1 dc in each stitch around.

*   **R3:** Work 1 hdc in each stitch around.

*   Fasten off and weave in the ends.

Sundress Straps

*   Using the sundress color yarn, embroider two straps with long stitches, running from the front of the sundress to the back.

Bows (make 2)

*   **R1:** In a MR: (2 ch, 4 dc, 2 ch, sl st) twice.

*   Pull the ring tight to form the bow. Fasten off, leaving a long tail. Use the tails to attach the bows to the hair.
